注: 郑州百荣世贸商城(简称百荣市场)作为中国最大的酒类流通批发市场,也是全国酒类品牌处理库存积压、低价套现的集散地。市场占地 3000 亩,建筑面积 400 万平方米,因郑州得天独厚、四通八达的交通便利条件,同时也是顺丰、京东、德邦、中通、圆通等各大物流公司总仓汇集地。据网络公开的数据显示,百荣市场年产值高达 1000 亿元,其中酒水高达 400 亿元左右,占据半壁江山。行业流传着“没有百荣找不来的酒,没有百荣卖不掉的酒”的说法,而由百荣搭建交易桥梁而产生的批发价也已然成为经销商衡量某个产品供求变化与价格波动幅度的重要依据。

Note: Zhengzhou Bairong World Trade Center (hereinafter referred to as Bairong Center), as China's largest wholesale distribution market for alcoholic beverages, is also a central hub for handling excess inventory and liquidating stock at discounted prices for national liquor brands. The market covers an area of 3,000 acres with a total construction area of 4 million square meters. Relying on Zhengzhou's exceptional geographical advantages and excellent transportation connectivity, it has also become a convergence point for major logistics companies such as SF, JD.com, Deppon Express, ZTO Express, and YTO Express. According to publicly available data online, Bairong Center's annual output value reaches 100 billion RMB,

with alcoholic beverages accounting for approximately 40 billion RMB, holding a dominant position in the industry. It is said that there is no alcohol that cannot be found at Bairong, and no alcohol that cannot be sold at Bairong within the industry. The wholesale prices established by Bairong have become an important reference for distributors to gauge the supply and demand fluctuations and price volatility of a particular product.
